Dear Mr. MacMichael:

It is our pleasure to inform you that the City of Bellevue Water Pollution Control Center has been selected to receive the Facilities Image Award for its wastewater treatment facility. This award is intended to recognize members who have enhanced the physical image of their workplace by cleaning up their own work facilities. The result of this upgrade shall be the presentation of a better image for our profession as viewed by the general public.

You are cordially invited to attend the OWEA Awards Brunch that will be held at the OWEA 2015 Technical Conference and Exhibition on Tuesday June 23, 2015 from 10:30 a.m. – 1:00 p.m. at the Kalahari Convention Center in Sandusky, Ohio. You will receive your award during the presentation ceremony following the brunch.
