WATER RATE INCREASE

The City of Bellevue has endeavored to keep water rates as low as possible. There has not been a water rate increase since October of 2008. After analyzing the current cost of operations, it is necessary to increase the rate for water three percent (3%) beginning October 1, 2010 and three percent (3%) on October 1, 2011.

October 1, 2010	Three percent (3%)
October 1, 2011	Three percent (3%)
